Questions for organisations/groups

1 Name of your organisation or group (if applicable)

Organisation:

[Redacted]

2 Type of organisation/group (if applicable)

Organisation - type of organisation/group/ropū :
Health and/or disability services provider (please specify below)

Please feel free to provide any further detail below:

Share 'one big thing' or upload a file

5 Are you here to tell us your 'one big thing'?

Your one big thing::

Ensure the code of rights includes a reference to Te Tiriti.

Incorporate the use of Te Reo Maaori into your documentation, as an official language of NZ

Put additional tikanga processes into place for all.

Strengthen the role of whaanau

6 Upload a file

Not Answered

Topic 1: Supporting better and equitable complaint resolution

1.1 Did we cover the main issues about supporting better and equitable complaints resolution?

Please add your response below:

Yes

1.2 What do you think of our suggestions for supporting better and equitable complaint resolution, and what impacts could they have?

Please add your response below:

I support the changes you have suggested. Particularly making the investigation of the complaint to be more culturally appropriate. Also changing the language to be more accepting of a persons gender and different diversities.

1.3 What other changes, both legislative and non-legislative, should we consider for supporting better and equitable complaint resolution?

1.3 changes - supporting better and equitable complaint resolution:

There is no mention of any obligation to the Tiriti in this code, why and how can it be incorporated?

Ensure whaanau are included, and strengthen the role of whaanau in these processes particularly for Maaori.

Topic 2: Making the Act and the Code more effective for, and responsive to, the needs of Māori

2.1 Did we cover the main issues about making the Act and Code more effective for, and responsive to, the needs of Māori?

Please add your response below:

Yes

2.2 What do you think about our suggestions for making the Act and the Code effective for, and responsive to, the needs of Māori, and what impacts could they have?

Please add your response below:

I think they would make services more accountable for the care they provide to Maaori, and improve health outcomes for Maaori.

2.3 What other changes, both legislative and non-legislative, should we consider for making the Act and the Code effective for, and responsive to, the needs of Māori?

Please add your response below:

I think I answered this question in section 1

Topic 3: Making the Act and the Code work better for tāngata whaikaha | disabled people

3.1 Did we cover the main issues about making the Act and the Code work better for tāngata whaikaha | disabled people?

Please add your response below:

Yes

3.2 What do you think of our suggestions for making the Act and the Code work better for tāngata whaikaha | disabled people, and what impacts could they have?

Please add your response below:

Ensure the wording stipulates that people can be supported by the right person.

3.3 What other changes, legislative and non-legislative, should we consider for making the Act and the Code work better for tāngata whaikaha | disabled people?

Please add your response below:

None to offer

Topic 4: Considering options for a right of appeal of HDC decisions

4.1 Have we covered the main issues about considering options for a right of appeal of HDC decisions?

Please add your response below:

Unsure

4.2 What do you think about our suggestions for considering options for a right of appeal of HDC decisions, and what impact could they have?

Please add your response below:

Well it could be appealed on many occasions, so what measures would be in place to stop this right of appeal process?

4.3 What other options for a right of appeal of HDC decisions, both legislative and non-legislative, should we consider?

Please add your response below:

.

Topic 5: Minor and technical improvements

5.1 What do you think about the issues and our suggestions for minor and technical improvements, and what impacts could they have?

Please add your response below:

.

5.2 What other minor and technical improvements, both legislative and non-legislative, should we consider?

Please add your response below:

.

5.3 What are your main concerns about advancing technology and its impact on the rights of people accessing health and disability services?

Please add your response below:

Risk to a persons privacy. Freedom of speech

5.4 What changes, both legislative and non-legislative, should we consider to respond to advancing technology?

Please add your response below:

as above

Publishing and data protection

May we publish your submission?

Yes, but please remove my name/my organisation

Please note any part(s) of your submission you do not want published::

Reasons to withhold parts of your submission

Yes, I would like HDC to consider withholding parts of my submission from responses to OIA requests.:

No

I think these parts of my submission should be withheld, for these reasons: :

If needed, can we to contact you to follow up for more detail on your submission?

No, do not contact me

Would you like to receive updates about the review?
