Not Answered

### Topic 3: Making the Act and the Code work better for tāngata whaikaha | disabled people

3.1 Did we cover the main issues about making the Act and the Code work better for tāngata whaikaha | disabled people?

Please add your response below:

3.2 What do you think of our suggestions for making the Act and the Code work better for tāngata whaikaha | disabled people, and what impacts could they have?

Please add your response below:

3.3 What other changes, legislative and non-legislative, should we consider for making the Act and the Code work better for tāngata whaikaha | disabled people?

Please add your response below:

When it comes to informed consent and decision making - an inclusion of the concept of Assent for people who are unable to communicate consent. (e.g. carefully reviewing the person's behaviour and communications to best determine their response to the decision)

### Topic 5: Minor and technical improvements

5.1 What do you think about the issues and our suggestions for minor and technical improvements, and what impacts could they have?

Please add your response below:

5.2 What other minor and technical improvements, both legislative and non-legislative, should we consider?

Please add your response below:

5.3 What are your main concerns about advancing technology and its impact on the rights of people accessing health and disability services?

Please add your response below:

5.4 What changes, both legislative and non-legislative, should we consider to respond to advancing technology?

Please add your response below:

### Publishing and data protection

May we publish your submission?

Yes, you may publish my submission
