5 Are you here to tell us your 'one big thing'?

Your one big thing::

New Zealand needs to recognise ME/CFS as a disability so that anyone suffering can have access to the appropriate services/treatment and care.

Also we need more healthcare professionals skilled in this condition to assist with care plans

Topic 5: Minor and technical improvements

5.1 What do you think about the issues and our suggestions for minor and technical improvements, and what impacts could they have?

Please add your response below:

5.2 What other minor and technical improvements, both legislative and non-legislative, should we consider?

Please add your response below:

5.3 What are your main concerns about advancing technology and its impact on the rights of people accessing health and disability services?

Please add your response below:

I think if you have a robust system in place that protects everyone privacy but also allows other healthcare professionals access to your healthcare and plan so we aren't always having to explain our conditions continuously only to be ignored by some would help immensely.

5.4 What changes, both legislative and non-legislative, should we consider to respond to advancing technology?

Please add your response below:

Publishing and data protection
